stomp stomp stomp...

Darling
Gujiu!!
Daddy
is home!

opens!!

Who's
there?
An
assassin?

Dad

starts...

falls!

Reaches~

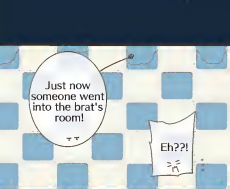

Huh?
My sword?

Still not
fully awake

Ahaa~
What's going
on, master?

Just now
someone went
into the brat's
room!

T T

Eh??!

ニニ

My darling
Gujiu
you're ok!
You scared
me half
to death!

Why are you
back daddy?
Am I still
dreaming?

You're not
dreaming,
daddy just
came home!

This is
the brat's
father?

That's right
master, let's
leave quickly
we're in
trouble here!

Daddy really
came home
yay!

I shall
take my
leave
first...

Ah
Ruan
hold it
right
there!

You'd
better
explain
what's
going on
right
now.

Yes...

Daddy
seems
mad...

.....

What?
An actor
from your
theatre
club?

Yes uncle,
there's no
mistake
he is my
classmate.

Why'd your
classmate
come here?
Why couldn't
I get through
to your
cellphone?

How come
the home
phone calls
weren't
going
through
either?

Our theatre club is preparing to perform a new program. My classmate lives in a different city and the school is very far and inconvenient so he asked me if he could stay at my house but it's very small so I thought he could stay at uncle's place for a bit...

That's right daddy, and the home phone couldn't connect because Gujiu forgot to put it back on the receiver...

Get your hands off me!

Lianlian, just bear with it, my dad could kick you out!

Master restrain yourself!

Won't talk
to me young
man?
It's just like
the younger
generation to
act like that.

And not to mention
your hair! You may
be an actor but no
matter what
boys with long
hair look like
degenerates.

Uncle, I won't
allow you
offend me like
that, say your
prayers you
damnable-

Master
can't do it!

Q-1000-1000

Over the top

I-I'll
get it!

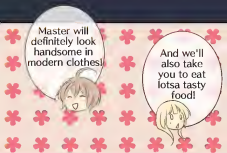

Saved
by
the bell
...

It seems he
really is
immersed in
his role to
such an
extent.

Oh that's
how it is,
wait you
guys!

Clothing?

And will this
tailor shop
have
undergarments?
Loincloths?

L-loincloths...
Master you
are so...

That's really
the word you
chose to go
with?? I can't
even laugh at
that...master...
honestly...

Loincloth sounds
so familiar somehow

On the matter of Lianfo's hair

In ancient China, hair was thought to be a gift from one's parents and it was disrespectful to cut it. Both men and women kept their hair long, most people would never cut their hair after becoming adults. Cutting hair short was generally a punishment for minor crimes.

And so, you can understand why Lianfo took such offense to it!
